

Features of innovative education:  
students as developers of digital,  
interactive educational content, ready to  
learn, discover and to share

## From students to students „Come , discover, share“

3 educational departments- 15 locations  
Project partners: National museum of M.K Ciurlionis, Kaunas city museum,  
War history museum.

Kauno Jono Dauliaus II gimnazija

- Lack of teaching materials;
- Quick outdate of materials prepared by a career teacher;
- Lack of students' motivation to discover peculiarities of job market before their finish school;
- Rapid change of professions;

Aims to solve problems we faced:

**Edita Rabizaite, career coordinator, ICT coordinator ([edita.rabizaite@kgm.lt](mailto:edita.rabizaite@kgm.lt))**

Kauno Jono Dauliaus II gimnazija

## Top university programs to choose to enter (2012 – 2015)

Place	Study program
1.	Medicine
2.	Law
3.	Economics

Kauno Jono Dauliaus II gimnazija

## Aims of the project

To show professions that are on demand in museums

To “try on” different professions working together with a professional

Prepare oral presentations for career lessons and interactive lessons for independent learning for younger students.

Kauno Jono Dauliaus II gimnazija

### Activities:

- Research, care and management of collections;
- Administration, finance, management and communication;
- Services and relations with the public;
- Structures, exhibition design and security.

### Requirements:

- a university degree for the majority of museum professions;
- competence in museology;
- practical experience in the respective fields; language skills (basic knowledge of at least one foreign language in addition to the native language).

### Major areas:

- Collections and research;
- Visitor services;
- Administration, management and logistics;

Professions in  
museums

## Collections and Research

Curator  
Inventory co-ordinator  
Registrar  
Conservator

0:00:03 0:05:30

Table of Contents 14:25 / 19:41 1.0x

Windows taskbar: File Explorer, Edge, Word, PowerPoint, etc.

Shadow a professional working, listen to main clues, prepare for working task.

Prepare with team members and perform working task, reflect on results.

The screenshot shows a video player interface for Office Mix. The video content displays a large green mat on a tiled floor with a white path drawn on it. The path starts straight, then turns 90 degrees to the right, and then turns 90 degrees to the left. The video player includes a 'Table of Contents' button, a progress bar at 15:09 / 19:41, and a volume icon. The Office Mix logo and 'Customer Preview' text are visible in the top left of the player. The word 'Gallery' is in the top right. There are 'Sign In' and 'Get Office Mix' buttons in the top right corner of the player area.

Interactivity built into lessons

Office Mix Gallery interface showing a grid of lesson slides (Slide 1-6) with video thumbnails and titles like 'Karjeros pamokos Projektas „Atek, atrask, pažink“' and 'Profesijos pamoka Nr. 1'.
